

TLIF0020 Safely access the rail corridor Sydney Trains approved One (1) day course

Description

TLIF0020 Safely access the Rail Corridor is a mandatory requirement for all contractors working within the Sydney Trains, Transport for New South Wales (TfNSW) and Australian Rail Track Corporation (ARTC) rail corridors.

It provides awareness of legal obligations, critical safety requirements and hazards that workers must be able to identify and deal with when conducting contracts inside the rail corridor.

Medical

Category 3 (Cat 3) Medical – General Rail Workers

This medical assessment is a general requirement for all workers accessing the rail corridor, including general labourers.

The Cat 3 Medical includes:

- Hearing test
- Eyesight test
- Drug and alcohol screening (urine)

This assessment ensures a worker is fit to work in a non-safety-critical role within the rail network.

Requirements

- ✓ 100 points of Id
- ✓ USI Number (www.usi.gov.au)
- ✓ Must be able to read, write, understand and speak English well
